

# Stella Cabinet

Using 1960's Abstract painting as a reference point, the STELLA CABINET utilizes the pattern making potential of marquetry woodworking. The cabinet is a showcase for a formal organization of subtle optical geometry featuring self-leveling feet and shown in inlaid ash and ebonized oak doors and studio machined offset pivot hinges.

Designed, developed and handcrafted in Brooklyn, NY.

**DIMENSIONS**

34"h x 48"l x 20"d
